TITLE: RECOMMENDATIONS OF COMMITTEE ON PRESCHOOL SPECIAL EDUCATION – MEETINGS OF JANUARY 24, 28, FEBRUARY 4, 6, AND 11, 2014

STAFF RECOMMENDATION:
Upon the recommendation of the Superintendent of Schools be it resolved that the Board of Education, through the administration, arrange for the provision of the appropriate special education programs and services for students enumerated in the report of the Committee on Preschool Special Education.

Two reports have been generated: one for January through June/July, and one report for September through December. This is due to changes of service that affect this school year, which will generate one report, and the annual reviews and meetings that change services for next year (2014-2015), which will generate a second report.
