<p><u>TITLE:</u> AUTHORIZATION TO PARTICIPATE IN A COOPERATIVE BID WITH PEPPM FOR TECHNOLOGY PRODUCTS</p>
--

Staff Recommendation:

Upon the recommendation of the Superintendent of Schools, be it resolved that the Board of Education approve the authorization to participate in PEPPM's cooperative purchasing contracts for technology products for the 2019-20 school year as per attached, and that the President of the Board of Education be authorized to execute same.

Background-Rationale:

PEPPM is a governmental purchasing cooperative program that offers the largest collection of competitively bid and awarded technology contracts, thereby providing a comprehensive source for public agencies to research and obtain technology products at lower costs.

The State Education Department requires that the board of Education adopt a resolution for participation in cooperative bids.
