**Staff Recommendation:**

Upon the recommendation of the Superintendent of Schools be it resolved that the Board of Education award an extension period of one year to the current successful vendor of the above bid.

**Background-Rationale:**

This is a recommendation to extend the bid for one year to the current lowest responsible bidder. The district will continue utilizing Cardinal Control Systems, Inc. under the same bid number, conditions and pricing with a 1.3% price adjustment to current labor rate as per the Consumer Price Index as of June 2020 for the 2021-2022 school year. This adjustment is written in the original bid documents for each extension year. Cardinal Control Systems, Inc. signed documentation indicating their agreement to these conditions.
