TITLE: APPOINTMENT OF STATE AID SPECIALIST

Staff Recommendation:

Upon recommendation of the Superintendent of Schools be it resolved that the Board of Education appoint the firm of School Aid Specialists, LLC to assist the district in maximizing state aid in all areas of Special Education Funding and facilitating the preparation and submission of various forms and schedules relating to state aid. The cost for these services is \$70,230, insignificant when considered with the revenue realized, with no additional fees.

Background-Rationale:

Due to the complexity of the numerous state and federal reports that are required to be filed, firms are needed to assist with these filings in an attempt to keep districts informed of new and changing regulations and to locate areas where additional revenue may be secured. We have been utilizing the services of School Aid Specialists for several years and are extremely pleased with their performance.
